How to Play

~~A~~ WASD to move K to collect materials E to speak
C to come back alive Y to shoot N to use a Medical kit
(If use needed) J to make or B to explore
X to swim call a group decision

To start you choose a character.
You control this one but the others
are in the game to, just computer
controlled. You have to shoot villains
~~and~~ and explore more dangerous space.
There may be more dangerous space.
these places though. However, bosses are
harder to kill than Followers.

Headquarters
This is where
you start.
You can come
-e here for
breaks or
snacks

Topple-rocks

If you climb onto
a Topple-Rock, you
are stuck stranded
until your team come
and rescue you.

Bota-Blocks

Bota-Blocks are strange
little creatures that
look like this: 
They can be helpful or
un-helpful. Some-
times they ask
for a favour, you

Seeking Treasure
Hidden round and about
are things like metal and
wood. If you find these you
can strengthen your
quarters, so it's less
liable for attacks.

Snacks

You start with 5 bottles
of Super Banand juice and
15 Giant chocolate cookies.
You can also collect snacks.

Picture of Headquarters

Jinky

It is not possible to play Jinky. He is a little creature that lives in Mutian's pocket. If he senses danger, he will squeak.

Holidays

If you have 13 metals then you can hire a plane ~~and fly to~~ Egypt.

For the game

Keep the figures as they are on the sheet as

Egypt

In Egypt you have to fight the Mummies

Riddlers

Riddlers look like this

They ask a riddle.
If you can't answer
correctly, you don't pass.

Favors a Bota-Block
May ask you for:

- Finding friends
- Re-lighting their flames
- Returning weapons

Egypt scetch
